**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am an artist and university instructor who uses LMI.net as my server and phone. I also use AT & T and Comcast. Much of the research for my work and teaching is done through these providers and I need full access (broadband) to all modes of digital platforms and services. I choose to use LMI.net as my main access as they are local and provide tech help at all hours.

I support broadband competition. Please, no price hikes. You are getting enough of our money as is.
